## **Payment:**

The cost of applying per title is \$24, except for Beginner which is \$20. The Backpacker, Natural, and Urban Challenges are no additional cost when submitted with the initial title application, or \$10 each when submitted separately after the title is earned. Title certificates are processed weekly and you should receive yours via email in approximately two weeks. Additionally, personalized title rosettes can be purchased for an additional \$16 (includes shipping in the continental US, please email for a shipping quote for elsewhere before you order one). The ribbon includes your dog's name and the title earned.

## **Title Resubmission:**

If you receive an NQ (non-qualifying) and the reason is one requirement (one exercise done incorrectly or one walk/run missed or of inadequate distance), you may resubmit the corrected material at no charge. Email the link to the new video or pictures/screenshots to info@barkourcaninefitness.com and indicate what it is for. If there is more than one error in your initial submission or the resubmission is incorrect, you will need to fill out and submit this application again with the corrections and pay the title application fee a second time.

Send total payment to PayPal at info@barkourcaninefitness.com. Include your dog's first and last name and what the payment is for in the comments.

Please send the completed application including the signed release form on the following page to [info@barkourcaninefitness.com](mailto:info@barkourcaninefitness.com). Alternately, you can print and sign and send with a check for payment to Barkour Canine Fitness, c/o Regina R. Allen DVM, 427 Wess Rd., Mineral Point, PA 15942.

If you have any questions, please ask before submitting your application to avoid errors. You can ask via email or the Facebook group and we are happy to help!
